Dear Parent/Carer,

Mock Exams - February 2022

Students should arrive at school at 8:15am when they have a mock exam and will attend lessons as normal before and afterwards.

We are now entering the second and final round of mock examinations for Mulberry UTC students. These will run from **Monday 21st February – Friday 4th March 2022** and will help to prepare your child for exams in the summer as well as allow us to identify any final interventions that might support them.

Students have been made aware of the mock exams and the importance of revising during half term and they have been provided with material via MS Teams.

The mock exam timetable is as follows, students can cross out any exams that do not apply to them, e.g. they will only sit History or Sociology and they will only have exams in Business and Health and Social Care if they study these subjects.

Students will have break and lunchtime as usual during this time.

Please encourage your child to use the half term to prepare for their mock exams. Please also support them, by ensuring they have accessed the learning resources their teachers have provided online.

Students' performance in these mock exams will be used to identify any final need for intervention over the final weeks before their Summer Exams. This may include offering additional sessions to students during the school day, after school, on Saturdays and/or during the Easter holidays.

We will be in touch with you soon notifying you about when the mock results will be released.

Yours sincerely,

Ms S Brian
Senior Vice Principal
