

Dear Parents and Carers,

Many thanks to all the students who volunteered at this week's Open Evening, it is always a pleasure to open our school up to prospective students so they can see and hear about what we do here. We were delighted to host over 200 young people and our current students were so welcoming and informative.

This week we also welcomed over 30 professionals from well-known broadcast companies such as the BBC, ITV and Sky who came as part of our Rise Careers Festival. Along with our own Y10, 11 and 6th form students we hosted students from Mulberry School for Girls, Mulberry Academy Shoreditch and Mulberry Stepney Green. Some of our own Digital Media students even set up the audio visual equipment as part of the event, using their skills on the job!

Yesterday, our performing arts students attended the National Theatre production of A Small Island, prior to starting their work experience on the set next week.

Today students visited V&A East and the University of East London as part of the East Careers Week in the Olympic Village.

Year 11 Mock Results

We will be holding a Year 11 Parents 'Supporting your child with Exams' session at the school from 2:00pm to 3:00pm on Friday 25th March, we will also share with you a copy of your child's most recent mock exam results.

Easter Intervention

From Monday 4th to Friday 8th April, we will be holding an Easter intervention programme for Year 11 and Year 13 students with exams this summer. A letter will be sent out regarding this over the coming weeks.

Thank you for all of your ongoing support.

Yours sincerely,

Ms S Brian
