

Dear Parent/Carer

Study leave

As noted in a previous letter regarding the upcoming Summer exams. The exam period will start on Monday 16th May and end of Friday 24th June. There is a half term break between Monday 30th May and Friday 3rd June. There are no exams during this time.

Before the half-term break there will be no study leave. In the event your child does not have an exam on a given day, they are expected to attend school for regular lessons or revision sessions and/or coursework completion. In the event your child only has an exam in the morning or in afternoon, they are expected to attend school as usual for the rest of the day. If students have finished coursework or have completed exams in certain subjects, attendance to these lessons is still compulsory and students should bring independent study materials to these lessons. Year 11 will be receiving a weekly timetable made up of revision sessions in place of regular lessons. This is in order to prepare them for their next upcoming exam. Attendance to these sessions is compulsory.

After half-term, students are expected to attend all lessons and revision sessions unless otherwise communicated and study-leave will be granted on a case-by-case basis. This will be communicated via a text message or letter home.

A reminder that throughout the exam period morning revision support and breakfast will be available from 7:45 in the View each day and students must be on site before 8:30am. For afternoon exams, students are not permitted to leave site at lunch and they should arrange to eat lunch on site or bring a packed lunch.

Please do not hesitate to contact us if you require any further information or support.

Yours sincerely,

Ms Leonie Coulson
Assistant Principal
