Dear Parent/Carer

### **Y10 Summer Mock Exams 2022.**

Please find enclosed a copy of your child's mock examination timetable. The mock examination period starts on Monday 27<sup>th</sup> June and will end on Monday 4<sup>th</sup> July. It is important that your child checks with their relevant subject teachers that their exam timetable is accurate.

There are 3 possible exam sessions each day, 9am (period 1 and 2), 11am (period 3 and 4) and 1:20 (period 5-7). Your child may not have an exam every day and there may be some days when your child has more than one exam. Students will not sit more than 2 exams each day.

Students should arrive to school at the usual time for registration and when students are not in exams, they should attend their usual lessons as per their regular lesson timetable.

It is important that students attend school each day with the necessary equipment for their exams. There will be no study leave during the mock exam period.

We would like to take this opportunity to wish your child every success in their upcoming exams.

Please do not hesitate to contact us if you require further information or support.

Yours sincerely,

Ms Leonie Coulson  
Assistant Principal
