

Friday 11th November

Dear Parents and Carers,

A huge well done to all students who came onsite last week for mock exams. Attendance was excellent and students will soon learn how much progress they have made this term and what they need to improve on. There will be a feedback week starting on Monday 21st November and your child should share with you their results during this week.

Dress code and Uniform

Most students have returned to school well-equipped and refreshed for the new half term. Some Year 10/11 students are still not wearing blazers when entering their form rooms. Students will be issued with detentions where this is the case. Please remind students to have these on when they leave for school.

A reminder that 6th form students should not have trainers on and should not be wearing coats inside the building. Lockers are available for all students and they are expected to keep any outdoor wear in them.

Production Arts Academy

The Mulberry Schools Trust Production Arts Academy applications will open next week for Year 10 and 12. This is a brilliant enrichment opportunity for all students with an interest in Theatre design and details on how to apply will be shared early next week.

Yours sincerely,

Ms S Brian
Acting Principal
