

Wednesday 7th December 2022

Dear Parents and Carers,

We are looking forward to welcoming you to Year 13 parents evening on Tuesday 13th December. Please arrive at a convenient time for you within this window.

Please allow for appointments with teachers of approximately 5 minutes.

All teachers and tutors of Year 13 will be present and available to speak to parents as required.

Pastoral staff will also be present.

We will be distributing mock grades and predicted grades for your child when you arrive, so you can discuss these with the teachers, as well as ask about the best way to support this important period in your child's education.

Many thanks for working with us to ensure that students achieve excellent outcomes this summer.

Yours sincerely,

Ms S Brian
Acting Principal
