

Friday 6th January 2023

Dear Parents and Carers,

Happy New Year to all members of our school community!

Welcome back to all students in Year 10-13 who have made a fantastic start to the Spring Term.

I am delighted to announce that the first cohort of the **Mulberry Production Arts Academy** in partnership with the National Theatre, has been announced and Mulberry UTC has four successful Year 10 participants and eight successful Year 12s. There will be an exciting launch event at the National Theatre on Tuesday 24th January where students will meet a panel of successful industry professionals and hear more about the programme.

Furthermore, this year's cohort for the Mulberry **STEM Academy** in partnership with Mercedes Benz Formula One, has also been announced with five successful applicants from Year 10 and six from Year 12. There are now several key events taking place this term which the students will be informed about as they occur.

A formal recognition of these students will take place in assembly once January Exams are over.

January Exams Season

Formal exams start on Monday.

- Students with a 9:00am exam should be in school no later than 8:20am
- Students with a 1:30pm exam will already be onsite and will have an early lunch to be ready no later than 1:00pm (offsite lunch not permitted for Year 12 and Y13 with exams)

Students have received copies of their timetables and can also access them via Edulink.

Uniform, Dress Code and use of Mobile Phones

We have seen improvements in this area since students have returned. Y10/11 students not in correct uniform will receive contact with home in order to bring in the correct items.

6th form dress code expectations are also strictly enforced and in some cases parents will be notified if students are returning home to collect appropriate clothing.

Mobile phones are not permitted to be within sight in school. Any mobile phones seen at any time onsite will be confiscated and returned at the end of the school day.

Open Evening – Thursday 19th January 2023

We are hosting an Open Evening for prospective Year 10s and Year 12s. Poster overleaf.

Yours sincerely,

Ms S Brian
