

Tuesday 31st January 2023

Dear Parents and Carers,

I hope you are well. This letter details information about the upcoming mock examinations in February.

Mock examinations will begin Monday 20th February, and will end Friday 3rd March.

These exams give your child a fantastic opportunity to practise applying key knowledge and skills in a formal exam setting. In addition, following the mock exams, your child will receive individual feedback on their progress from their teachers. This will support them in their next steps towards their real formal examinations in the summer (beginning May 2023).

Please see the next page for the mock examination timetable. Students are welcome onsite from 8:00am during the mock examination period, and should arrive at school no later than 8.30am.

Please support your child by discussing their revision and preparation for these mock examinations. Please also check your child has the equipment that they need. Your child has been provided with a wealth of resources from their teachers to support them during this time, including revision timetable templates.

Please continue to check your child's student planner daily to support their organisation and independence, key skills that contribute to success at Mulberry UTC and in the future.

Kind regards,

Ms E Hatcher
Assistant Principal

Date	Time	Time	Year	Duration	Venue	Exam	Subject	Paper
Monday 20th February	AM	09:00	Y11	1hr45	Theatre	GCSE	English Language	English Language Paper 1
	PM	13:30	Y11	1hr15	Theatre	GCSE	Science: Physics	Physics Paper 1
