

Friday 28th April

Dear Parents and Carers,

This week we have been celebrating the diverse range of cultures represented at Mulberry UTC. Each day has been dedicated to a different world region, looking at traditions, customs and history. The week culminated today where students were encouraged to wear clothing to represent their culture or other aspects of their identify and we fundraised for charity through face painting, loom bands and lots of sweet treats!

This Sunday three of our STEM Academy students will be taking the Mulberry UTC racing car (built here onsite) to race at Goodwood Racecourse <https://www.greenpower.co.uk/>. We wish them the best of luck!

Y11, Y12 and Y13 students have now been issued with their summer exam timetables. The exams season commences on Monday 15th May 2023 until Friday 23rd June 2023. There is no planned study leave and students should continue to attend school as usual during this period until told otherwise.

A reminder that the school is closed this Monday for the May Bank Holiday and we will also only be open for Y11 and Y13 students on Tuesday 2nd May owing to strike action.

Year 10 and Year 12 will be next onsite on Wednesday 3rd May.

A separate letter has been issued about Year 10 and Year 12 parents evening. This will take place onsite from 4:30pm-6:30pm and I encourage all parents to attend with their child. A data report on your child's progress will be issued upon arrival at the school.

Yours sincerely,

Ms S Brian
Acting Principal
