

3<sup>rd</sup> July 2023

Dear Parents/Guardians,

### **Bloomberg Trip**

We are delighted to inform you that your child has been selected to attend a remarkable event hosted by Bloomberg at their prestigious London office. This exclusive opportunity is offered to 180 of our Year 12 students from the Mulberry School Trust and will take place on Tuesday 4th July 8:30am to midday.

The event will primarily focus on Bloomberg's apprenticeship programs, offering introductory sessions where students can learn more about the company itself and the diverse range of apprenticeship opportunities available. Furthermore, there will be an interactive fair where students can engage with current apprentices from different business areas. This will provide them with invaluable insights into the apprenticeship experience directly from those who are currently participating in the program.

Bloomberg offers highly competitive apprenticeships in a wide range of areas, including data, engineering, media, and external relations. This event aims to inspire and inform our students about these exciting career paths and equip them with the knowledge to make informed decisions about their future.

The event will be well-organised and enjoyable, with refreshments provided throughout the morning. Bloomberg's office is conveniently located near Bank station, ensuring easy accessibility for transportation.

**Please note that students are required to meet their teachers at the Bloomberg office for 8.30am at 3 Queen Victoria St, London EC4N 4TQ (nearest tube station, Bank) and will be dismissed from there as well. If you would like your child to travel with the school staff to and from the event, kindly email [nalam@mulberryschoolstrust.org](mailto:nalam@mulberryschoolstrust.org).**

We believe that this event presents a unique opportunity for our students to explore apprenticeship possibilities and engage directly with professionals in their desired fields. We are confident that it will be an enriching experience for them.

Should you have any questions or require further information, please do not hesitate to contact us. We are excited about this opportunity and look forward to your child's participation in this exceptional event.

Thank you for your ongoing support.

Yours faithfully,
