

4th October 2023

Dear Parent or Carer,

**Global Girl Leading International Conference
Wednesday 11th October
8.45am - 1pm at Mulberry School for Girls**

We are excited to participate in a conference recognising International Day of the Girl, hosted by Mulberry School for Girls. Your child has been chosen to represent Mulberry UTC on this day.

In celebration of International Day of the Girl, Mulberry Schools Trust are organising a half-day conference to address the needs and challenges faced by girls while promoting their empowerment and the fulfilment of their human rights. The conference will be using a hybrid model, allowing female students from schools within Mulberry Schools Trust to join in person at Mulberry School for Girls. Additionally, there will be students from schools in Australia, Singapore, Malaysia, Mexico, India, and the Middle East join the conference online.

Your child should meet staff from the UTC at Mulberry School for Girls at 8.30am on Wednesday 11th October. They will be accompanied by staff from the UTC throughout the course of the day. Mulberry School for Girls is on Richard Street, just off Commercial Road (E1 2JP). If they are in Year 10 or Year 11, they should be in full school uniform. If they are in Year 10 or Year 11, they should be in smart business attire.

If your child is in Year 10 or Year 11, they will return to the UTC with their teachers once the event finishes at around 1pm.

If your child is in Year 12 or Year 13 and they have lessons following the event, they will also return to the UTC with their teachers. However, those with scheduled Home Study on their timetable will be dismissed directly from Mulberry School for Girls.

Please complete the attached consent form to give permission for your child to participate in this event.

If you have any questions or require further information, please do not hesitate to contact us.

Thank you for your continued support in providing valuable experiences for our students.

Best regards,

Ms J. Kibela-Purnell
Assistant Principal
