

13th November 2023

Dear Parents / carers,

Winter Uniform Update

I hope this letter finds you well. As we approach the colder months, we want to ensure the comfort and well-being of our students while maintaining a professional learning environment. In light of this, we have revised our uniform expectations.

Starting from Tuesday 14th November 2023, all students will be allowed to wear their coats inside the building. However, it is important to note that these coats must be removed when entering lessons, independent study, assembly, tutor time, and internal exclusion. This is to ensure that our classrooms and communal spaces maintain a focused and orderly atmosphere.

In addition to the allowance for coats to be worn inside the building, it's important to note that all other uniform requirements for both KS4 and KS5 students will remain unchanged. This includes the prohibition of hoodies for all year groups, except for the KS5 UTC crew hoodie.

We understand the need for flexibility during the colder weather, and we appreciate your understanding in this matter. We will keep you informed and update our guidelines when the winter period for allowing coats inside the building no longer applies.

If you have any questions or concerns, please don't hesitate to contact us. Thank you for your cooperation in ensuring a positive and conducive learning environment for all our students.

Best regards,

Ms J. Kibela-Purnell
Assistant Principal
